### COMMUNICATION

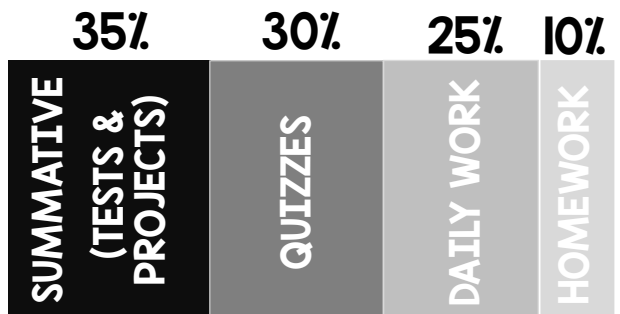

*with the teacher*

- 1 CTLS Class Pages are updated regularly with all assignments, notes, videos, and many other resources!
- 2 Stay on top of GRADES with ParentVue or StudentVue. You can also set up email and text alerts through ParentVue.
- 3 Email is the most efficient method of communication. See below.

## ASSESSMENTS

- 1 Students will have work each week outside of our live class sessions. It is important to keep up and communicate with any questions in order to not fall behind.
- 2 Academic integrity is important. While we encourage students to work together when possible (virtually), each student will be accountable for learning the standards.
- 3 Late work and makeup work may be accepted for partial credit. It is the student's responsibility to communicate with the teacher when work is submitted late. All assignments are located in CTLS.

## EXTRA HELP

Take advantage of the Extended Learning Time (ELT) each morning. Times are below:

- 1<sup>st</sup> Period: Tues/Fri 9:30 - 10:00
- 2<sup>nd</sup> Period: Mon/Thurs 9:30 - 10:00
- 3<sup>rd</sup> Period: Tues/Fri 10:00 - 10:30
- 4<sup>th</sup> Period: Mon/Thurs 10:00 - 10:30

Please make every effort to attend if help is needed. Students may be requested to attend as the need arises. Other times are available upon request.

## TECHNOLOGY & DIGITAL LEARNING

This is new to all of us, so please rest assured that we are approaching this with patience and grace. Hiccups are inevitable. Make sure you set aside time each weekday to login to CTLS and work through your self-paced lessons and assignments. If you experience difficulty with technology or CTLS, let us know.

## MATH SURVIVAL GUIDE (MSG)

The "MSG" is the student notebook. Notes will be taken each week and will be supplemented with practice problems. This information can also be found on our CTLS Class Page.

## MATH SUPPLIES\*

- 1 SPIRAL NOTEBOOK
- 2 PENCILS
- 3 HIGHLIGHTERS, COLORED PENCILS, OR PENS

\*Additional supplies will be required if/when we return to face-to-face learning.
