# Math 6 policies and procedures

## ASSIGNMENTS & ASSESSMENTS

- 1 Students will have work each week outside of class. It is important to keep up and communicate with any questions in order to not fall behind.
- 2 Late work and makeup work may be accepted for partial credit. It is the student's responsibility to communicate with the teacher when work is submitted late. All assignments are located in CTLS and StudentVUE/ParentVUE.
- 3 Assessments will be given throughout each unit to assess mastery of the standards. Some of these will be given through CTLS.
- 4 The Math Inventory (MI) will be administered 3 times throughout the year to assess growth.

## EXTRA HELP

Math help sessions are offered weekly on Thursdays from 8:15-8:45. Students will have access to a math teacher to help with any questions or concerns they have.

## STUDENT RESOURCES

Student Resources are available in CTLS. They include:

- Student notes and practice (MSG - Math Survival Guide)
- Links to video lessons
- IXL
- Syllabus and other handouts

## TECHNOLOGY & DIGITAL LEARNING

Cobb County is providing laptops for all students in 6<sup>th</sup>-12<sup>th</sup> grade. In order to receive the laptop, parents must "opt in" in ParentVue. Laptops are expected to be brought to school fully charged every day. Cell phones will not be allowed to be used in class during school hours.

Technology assignments (IXL, Microsoft Forms, Quizizz, EdPuzzle, etc.) will be done on a weekly basis. Make sure you set aside time each weekday to login to CTLS and your student email to stay on top of your assignments. If you experience difficulty with technology or CTLS, email to let us know.
